dream 37

I should take off... my stockings... right?

Ah... yeah whatever's comfortable...

Huh?
Ara? St-...
strange

Fufu... Why,
something
wrong?

Does it feel
like something's
missing down
there?

How... I
wasn't wearing
anything from
the start?

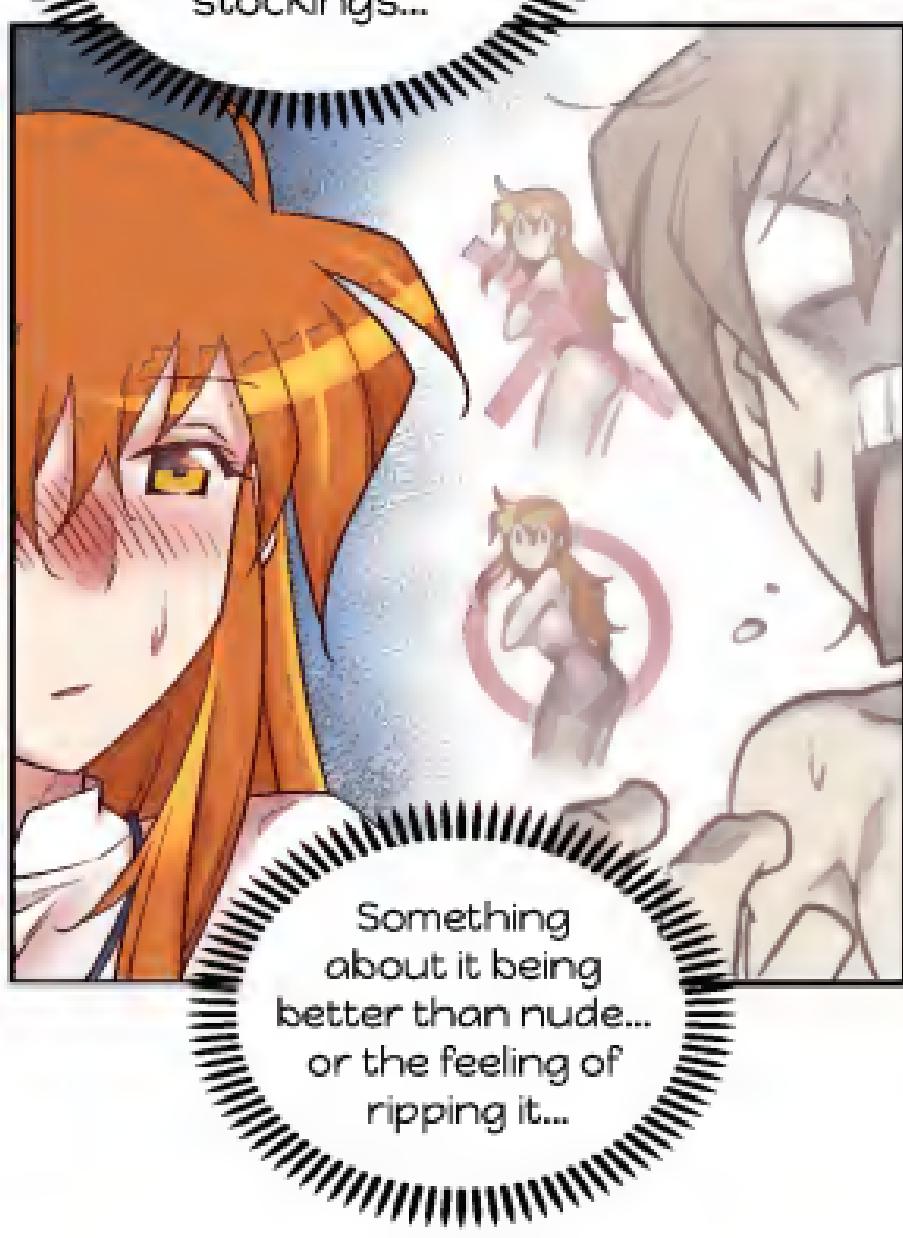

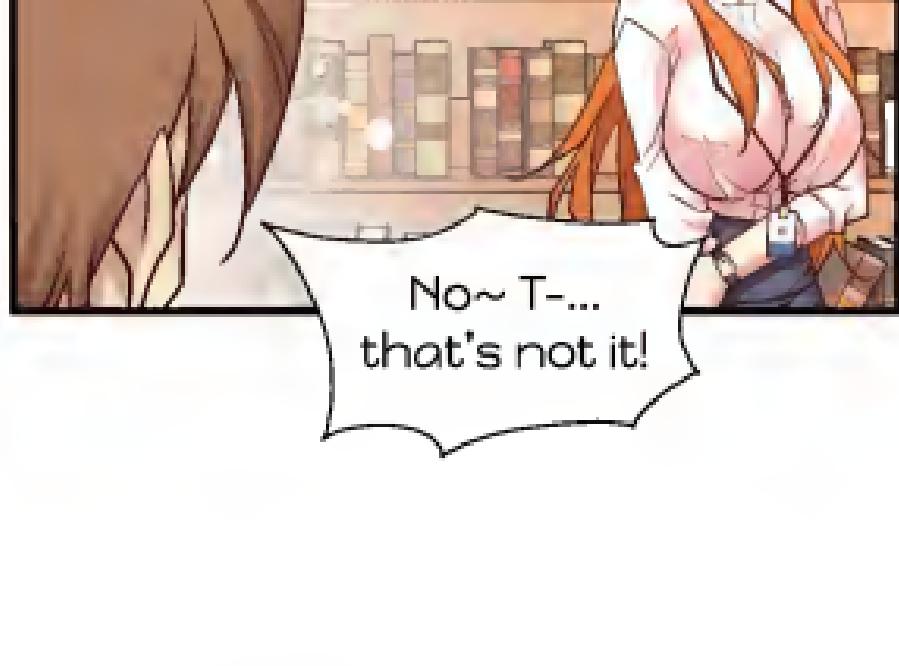

Or did
you...

It's not like
this is your
first time~

This situation is
both your preference
and Mon gil's at the
same time

It's what you
liked the most or
want to feel again
from what you've
experienced...
kind of?

Maybe... the stockings...

N-... no~ It's
not like I want
to rip them...

SIGH~ THIS IS
GOING TO TAKE
FOREVER~

I GUESS
I HAVE TO
HELP TO MAKE
PROGRESS

THE WAY
YOU'RE ASKING
THE QUESTIONS
IS WRONG~

YOU WERE
DOING FINE
BEFORE~

Manager~ do
you want to rip my
stockings?

No that's...

Then you
don't want to
rip them?

It's not
like I don't
want to...

Thanks
to you I got
the hang of
it too~

As I
thought...

Speaking
of which~

It's frustrating
to just watch so
let me intervene
for a bit~

HUH?

Now~ you
can rip it as you
please right
now~

W.... why
does it have
to be this
position~?

In... front
of me

G1

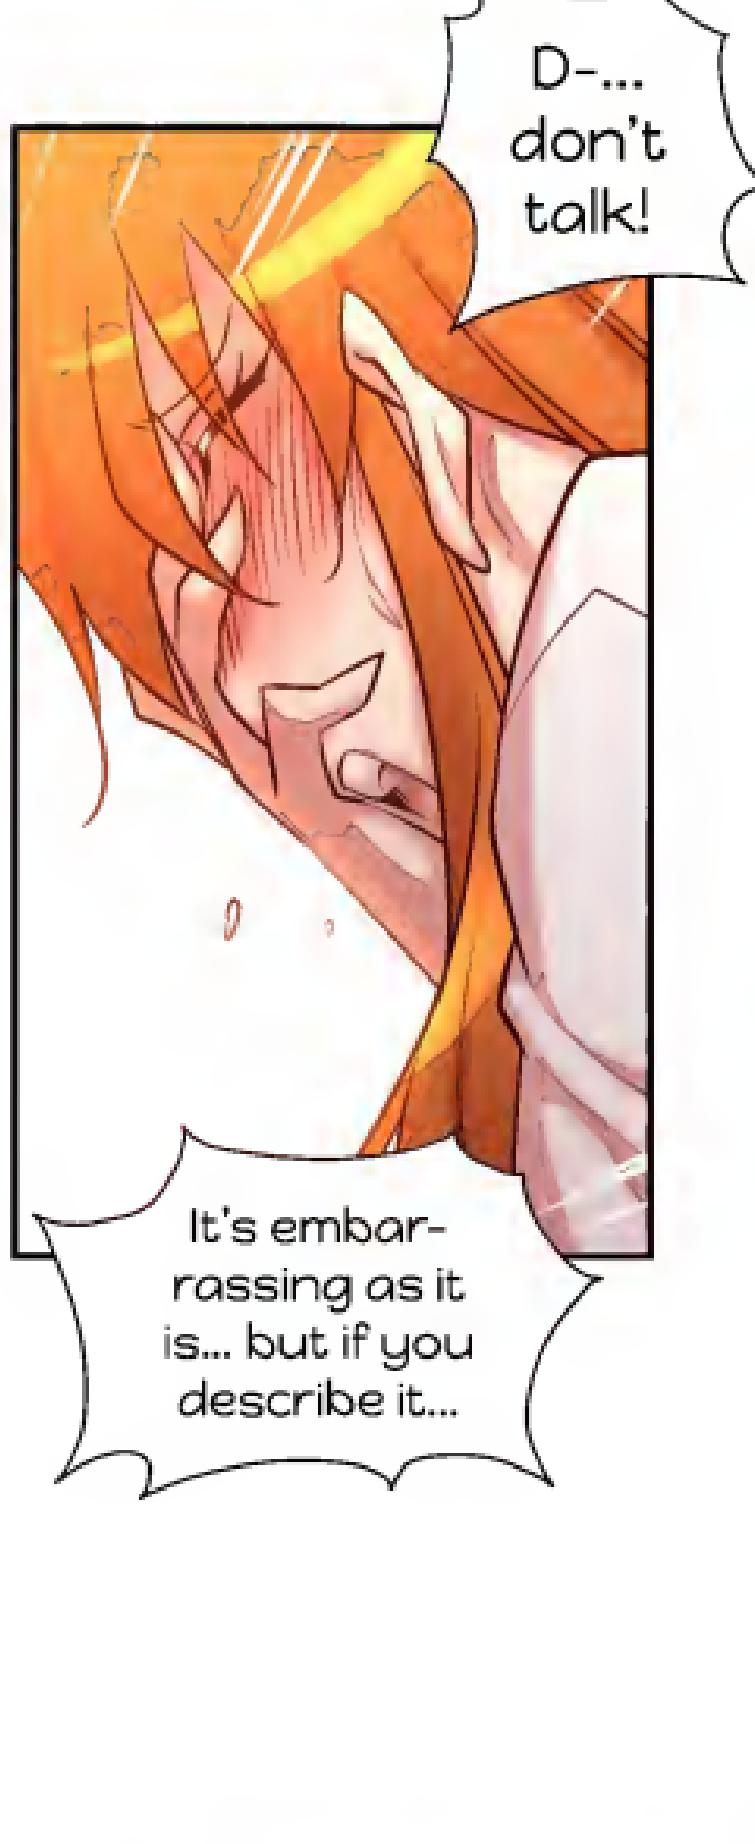

Lilu's

ass...

G1

H3

The
important
area is so buck
naked...

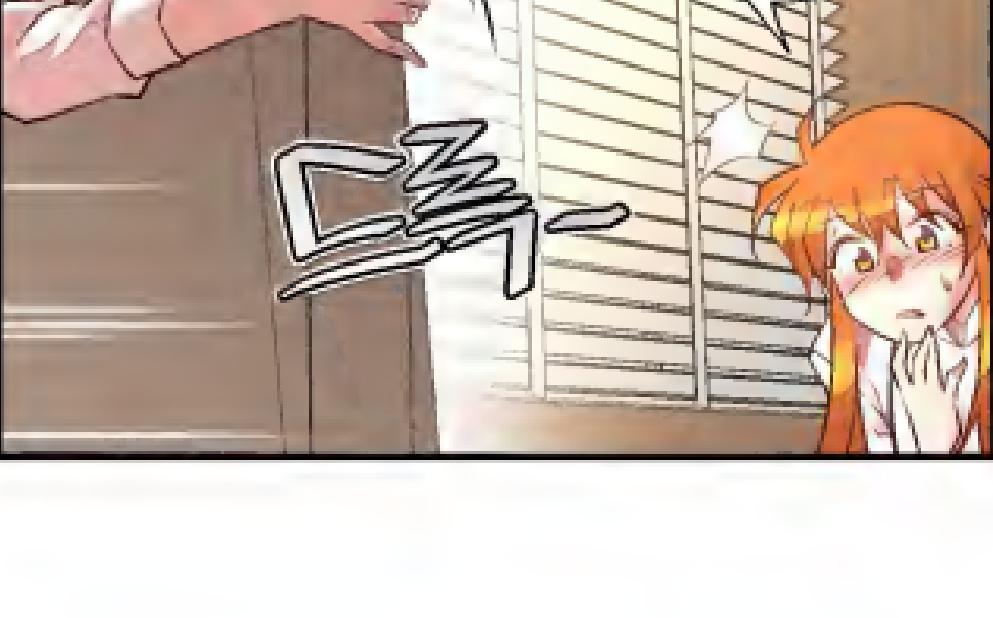

He's...
fondling...
my ass

He'll be able to
see everything under
the stockings...

I wonder
what face he's
making as
he's caressing
it...?

It's so
embarrassing, I
can't even look
back...

Huh...?

Here~ you're
curious about how
manager's face
looks like?

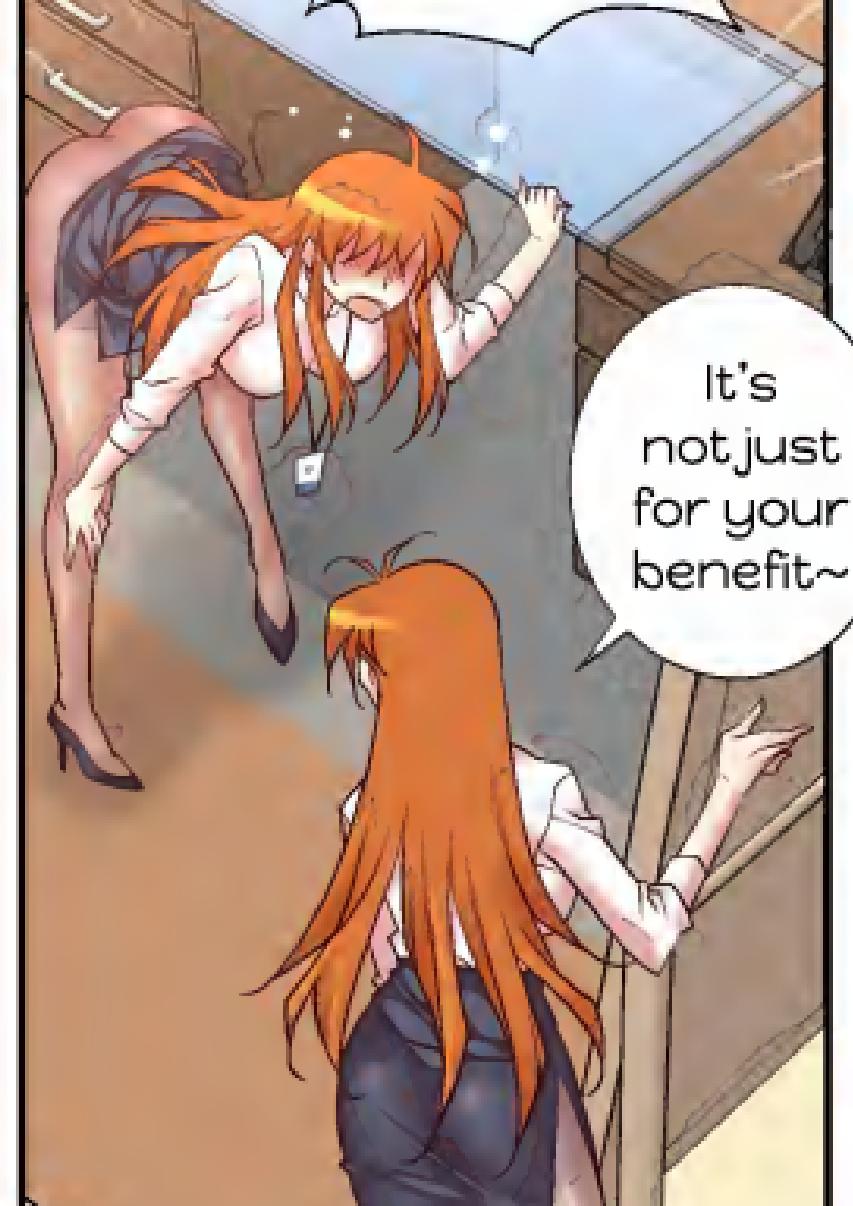

How is this?

A... mirror?!

I.... I don't
need something
like this! Take
it away~

It's
not just
for your
benefit~

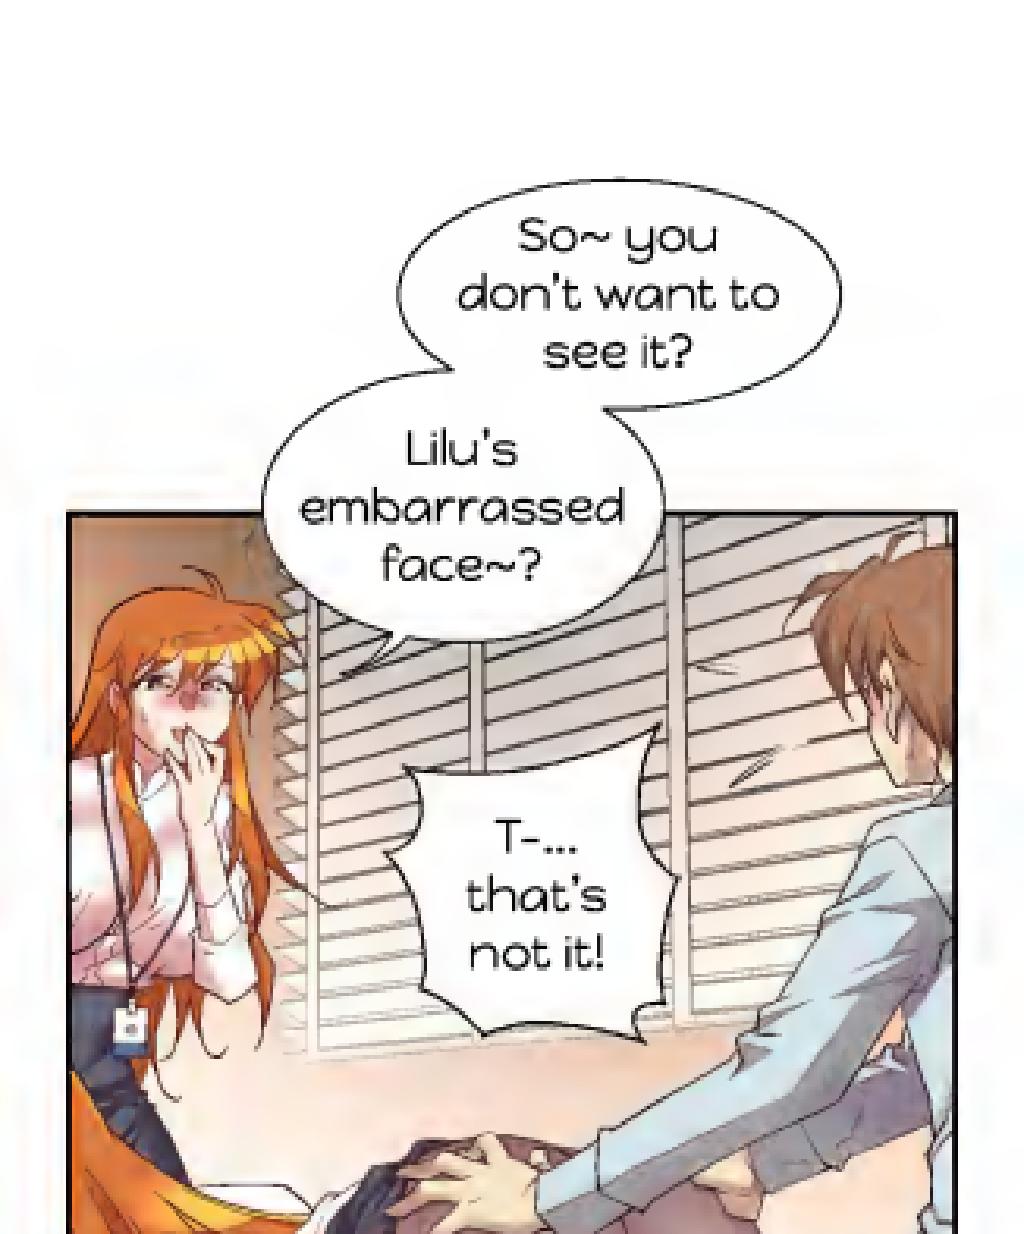

I think
manager is
curious about
how your face
looks too~

Ah...
No I....!

If Lili
doesn't
like it...

Then take
it away...

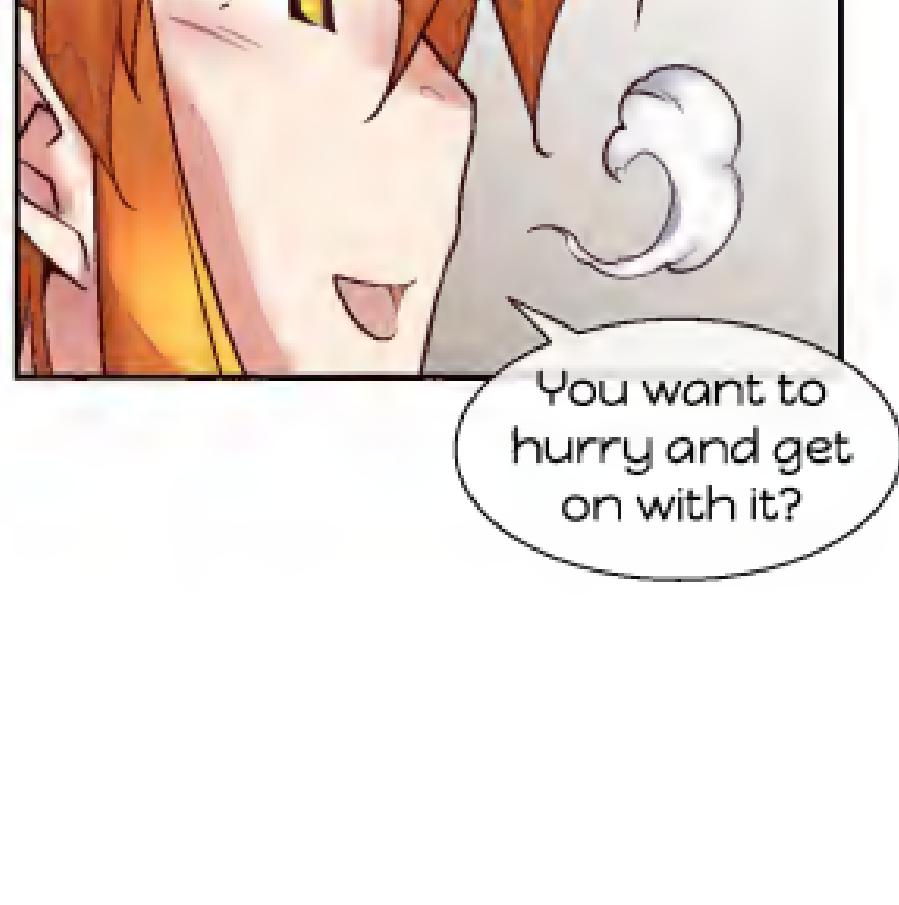

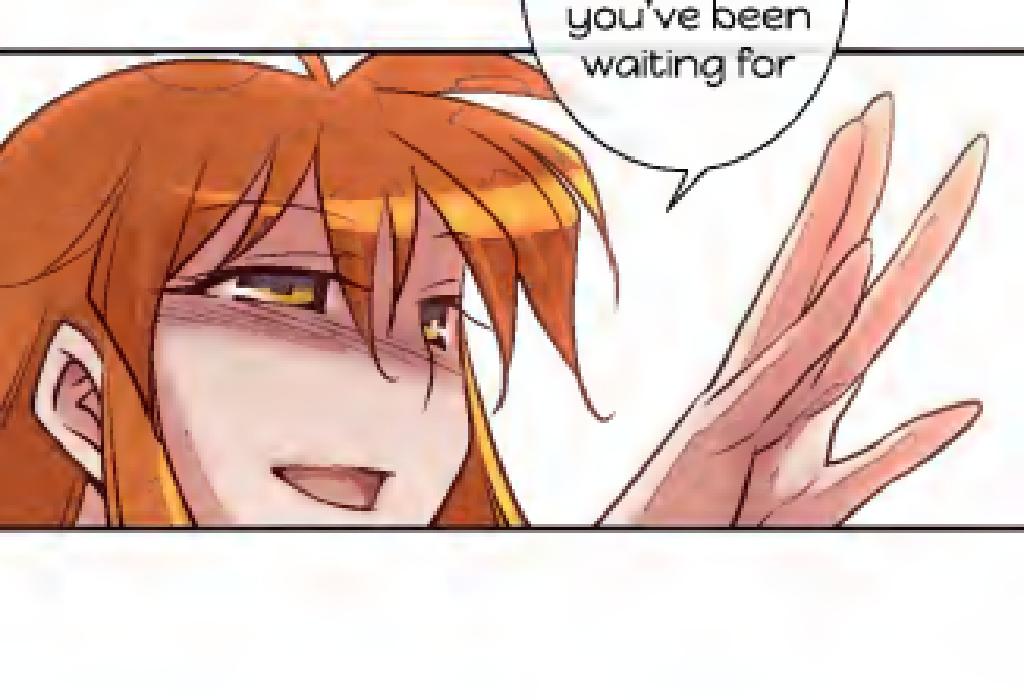

So~ you
don't want to
see it?

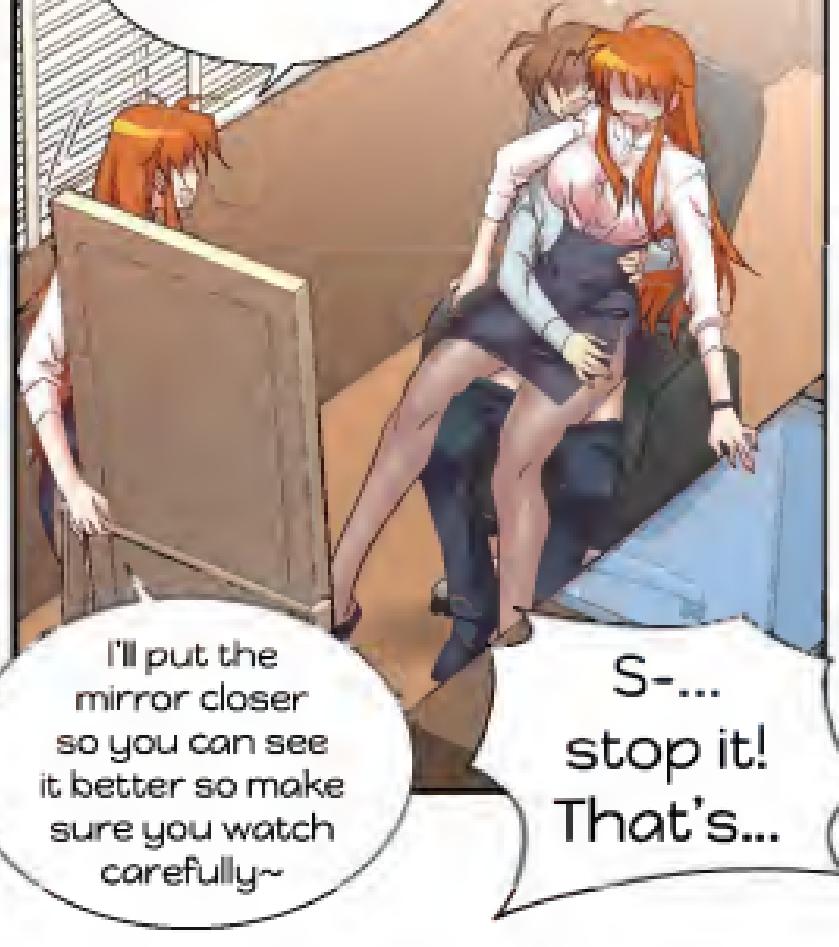

Lili's
embarrassed
face~?

T-...
that's
not it!

This is a sight
you can't miss
either right?

I'll put the
mirror closer
so you can see

it better so make
sure you watch
carefully~

S-...
stop it!

That's...

And~
the pose
should be
like this...

Spread

your legs

and place

them on

manager's

thighs~

AH... ARE
YOU EVEN
LISTENING
TO ME?

Now you
just have to slowly
lower your hips
and insert it~

What's
wrong with
you?!

**THIS ISN'T
MY PREFERENCE,
IT'S WHAT YOU
WANT TO DO!**

YOU'RE STARTING
TO PISS ME OFF.

WELL...
I GUESS IT'S
BECAUSE YOU
DON'T KNOW

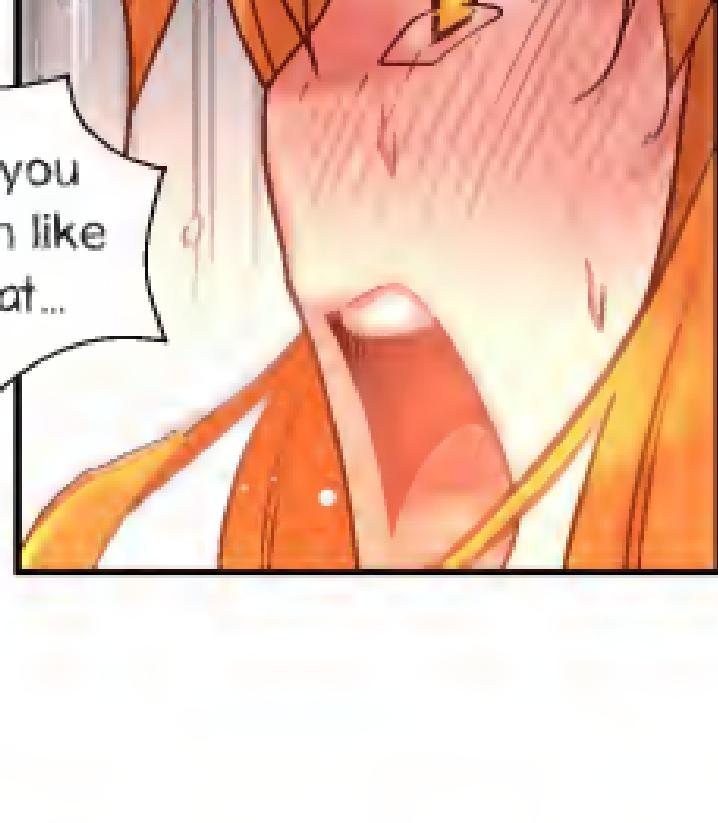

Okay, I'll tell
you. That way
it might help you
understand

Or should I
say accept?

Your preferences and mine are not that different at all.

D...
don't push down!

You hate and love it~

KNOW WHAT THAT MEANS?

Ah...
Ahh~
Some-
thing...

Soft
and warm
is wrapping
around
me...

N-
no I'm
not ready
yet...

I'm a
different you
inside your
mind.

Your honest
perverted and
slutty feelings
that were sup-
pressed!
